

## Celebrating 20 Years of Art and Impact at Edinburgh Art Fair

Hello Art Lovers,

As we mark the **20th Anniversary of the Edinburgh Art Fair**, we are incredibly proud to highlight our partnerships with **three outstanding charities** whose missions bring creativity, care, and community to life.

### Our Charity Partners

#### St Columba's Hospice Care

Providing compassionate end-of-life care across Edinburgh and the Lothians, St Columba's Hospice Care offers medical support and emotional, psychological, and spiritual care to patients and their families. Their holistic approach includes **art and music therapy, chair yoga, and many other community well-being programmes**.

##### Interview Highlight:

"One participant in our 'Make Your Mark' group said, 'I forget all my troubles and worries about my illness while I concentrate on my art.' That's the power of creativity we want to share at EAF."
